

Unit 4: Do and Does

Health

Directions: Fill in the blanks with "do", "does", "doesn't" or "don't".

Oscar is a policeman. One of the many duties of his job is to help injured people at the scene of an accident.

Today he is talking to a driver who has been in an automobile accident.

Oscar: Where do you have pain?

Driver: My head doesn't hurt, but my neck _____.

Oscar: The paramedics will be here soon. _____ you have any other pains?

Driver: No, I don't, but my seatbelt _____ unfasten.

Oscar: Do your passengers need to go to the hospital?

Driver: My wife _____ have any injuries, but my son does. He scratched his arm.

He doesn't want to go to the hospital.

Oscar: The paramedics don't want to force anyone to go to the hospital, but they need to make sure everything is okay. _____ your family have any medical insurance?

Driver: Yes, we _____.
